

CALCASIEU PARISH SCHOOLS

Mobile Modular provided temporary modular classroom and office space for the Calcasieu Parish School District after damage caused by Hurricane Ida.

THE CHALLENGE

Hurricane IDA caused significant damage to the Calcasieu Parish Schools creating a challenge for students to return to class.

Mobile Modular was able to step up in helping provide over 100,000 square feet of temporary modular classroom and office space throughout the district.

THE SOLUTION

With a critical need, Mobile Modular was able to quickly secure manufacturing line time and crews to help provide over 136 modules across 10 campuses throughout the Parish.
