

LINDISFARNE HALL PERMANENT EDUCATION BUILDING

Learn how Mobile Modular delivers a permanent building solution for Lindisfarne Hall, a Christian and classical School in Florida, in 60 days!

THE CHALLENGE

Lindisfarne Hall, a Christian and Classical School serving 3rd-12th grades located on Amelia Island in the quiet neighborhood of Fernandina Beach, Florida, needed a permanent modular building solution to meet the continued increasing enrollment demand without impacting the residential surroundings. When time and cost were the most significant drivers, Mobile Modular was called upon to design and build a quality, affordable, and architecturally appealing permanent modular building. One of the school's beliefs is that the child's surroundings should be beautiful, Mobile Modular is proud to have been able to provide an attractive and cheerful setting for the students of Lindisfarne Hall to enjoy for the years to come.

Customer Name: Holy Trinity Anglican Church

Project Location: Fernandina Beach, Amelia Island, Florida

Building Type(s): Permanent Education Building

Module Count: 16

Total Sq. Ft: 7,700 sq. ft.

THE SOLUTION

Mobile Modular was engaged at the project inception to play a lead role in designing the building and establishing the project budget while maximizing the efficiency and effectiveness of utilizing the modular building solution. Throughout the project, Mobile Modular coordinated with the design and engineering team, City officials, and technical team to streamline and implement the first-of-its-kind modular building in Fernandina Beach, FL. As a licensed Florida General Contractor, Mobile Modular handled the modules' manufacturing, delivery, and installation in addition to the various site scopes to successfully complete the building.
