

PCDG CONSTRUCTION OFFICE BUILDING

Mobile Modular created a high-end modular sales center for PCDG Construction in Orlando, Florida.

THE CHALLENGE

PCDG Construction was looking for a modular building provider that could build the custom sales center they needed during the development of the high-end condo, retail, and auto museum project they were building in Orlando, Florida.

THE SOLUTION

Mobile Modular was able to provide PCDG with what others couldn't do, a custom building and a financing solution that fit within their budget and time frame to complete.

Customer Name: PCDG Construction

Project Location: Orlando, FL

Building Type(s): Modular Office

Module Count: 2

Total Sq. Ft.: 1,440 sq. ft.
