

REBORN CHRISTIAN ACADEMY

Mobile Modular provided Reborn Christian Academy with modular classrooms and created a secure educational environment.

THE CHALLENGE

Reborn Christian Academy came to Mobile Modular with an initial need for ten 24' x 36' modular classrooms for their growing student population.

THE SOLUTION

After doing a site visit with Pastor Edwin Ramirez, our teams agreed that for security and cost considerations, we would be able to utilize three of our fleet buildings a 6,720 sq. ft. 8 – 8-classroom building, a 1,960 sq. ft. building and a 1,680 sq. ft. building.

Customer Name: Reborn Christian Academy

Project Location: Kissimmee, FL

Building Type(s): Modular Classrooms

Module Count: 12

Total Sq. Ft.: 10,360 sq. ft.
