

Mobile Modular Classrooms

Educational Buildings for Temporary Needs

Mobile Modular offers flexible, high-quality portable classrooms and educational buildings. All buildings are pre-prepped and delivered directly to your school ready for installation and occupancy.

Available for Rent, Lease or Purchase

Mobile Modular provides the modular learning environments that today's school districts depend on. With a broad selection of Housing and Community Development (HCD) insignia classrooms in California, our buildings are the perfect choice for any educational space needs. Custom upgrades, such as paint color and adding walls, windows and doors, are available upon request.

"Please thank all of the people for an exceptionally outstanding job in delivering and installing in such a timely manner."

Hugh Anton

Pleasanton Unified School District
